Have an old Laptop ?

The laptop we use outside the cafeteria each day for the students to punch in their lunch numbers is on its last leg.

She sometimes requires CPR to get her going again!

We only need to run one simple program on it.

If you have an old laptop you aren't using, please consider donating it to a worthwhile cause...**US!** 😊

Congratulations to second grader **Kaydin Duvall** who received the sacrament of baptism this week! Kaydin and his three siblings were all baptized Wednesday evening.

Catholic Charities
 of Evansville

As most of you are aware, we do not have a guidance counselor here at Saint Bernard. However, the Catholic Schools Office has been working closely with Catholic Charities to provide services to the schools in the diocese. Debbie Tobin will be at St. B on Fridays at 10:00 to work with students who have been referred. If you are interested in having your child meet with Ms. Tobin, please contact Mrs. Guth for a Parent Packet. **Paperwork must be completed before Ms. Tobin can meet with your child.**
